Oscar Client Event – The annual gala is by invitation only to meeting planners and organization executive directors. For 2010, all Austin/San Antonio area directors and planners will be invited from our TxMET contact list, whether or not they have attended the Oscar Client Event previously or have been seen in person by a blitz team. Our goal is to have 150 of Austin/San Antonio and the surrounding area's top meeting planners and their spouse or guest in attendance this year.

All will share the evening of fun, food, star-gazing, fashion policing and great conversations with guests. Our Masters of Ceremony will continue to keep the party lively and filled with interesting commentary.

Marketing Blitz (formerly Co-City Marketing Blitz) - CVB sales professionals, seasoned and novice, join together in teams to make calls on Austin/San Antonio area organizations in order to educate planners on the value of working with CVB's and to obtain updated information about the organizations' meetings for inclusion in TxMET.

This is an exclusive offer to TACVB members who are also TxMET members. If you are not aware of the incredible lead potential TxMET offers you, call Bridgette now to learn more. Only TxMET members are able to participate in the Oscar Client Event and Marketing Blitz. There is a limit on the number of Blitz participants so please sign up quickly.

Please return your completed form to TACVB by January 15, 2010 by fax or mail to TACVB. You can download the registration form from TACVB's website under Marketing Blitz/Oscar Client Event.

Want to learn more? Contact Bridgette @ TACVB, 361-749-0467 or Bridgette@tacvb.org.

TACVB Marketing Blitz Participant Information

Marketing Blitz Goals:

1. Educate meeting planners on the benefits of working with convention and visitors bureaus across Texas
2. Obtain updated meeting information, directly from the planners, to update TxMET, our CVBs' database
3. Showcase the diversity of destinations in Texas by team representation
4. Demonstrate the interest of Texas CVBs in the Austin/San Antonio area accounts

Changes for the 2010 Marketing Blitz:

All accounts that were not seen in person during the 2009 Blitz will be on this year's call list
The Blitz has been expanded to include San Antonio
Seventeen committee members are working on updates for Austin/San Antonio area accounts

TACVB's Expectations/Requirements:

No promotion of an individual destination, unless questions are asked by the planner during a meeting – you are not representing your city, but all CVBs in Texas

Please do not make or schedule any other calls/appointments while on the Blitz

Attend all **MANDATORY** meetings as noted on the attached schedule

Please be on time for mandatory meetings and blitz calls

Please do not rush through the appointments to finish early. Each account deserves your full attention

Respect your team leader and your teammates

Participants are required to wear TACVB logo shirts with business slacks/skirts on blitz days

Appropriate dress for all Blitz participants is required – no low-cut shells, low-waist slacks or skirts, no Capri pants. Please remove or cover body piercings. Please cover tattoos. Though TACVB respects your individuality, during the Blitz you will not be representing yourself or your destination, but all Texas CVBs so a more conservative appearance is requested.

Note that any inappropriate dress, conduct or failure to participate will be shared with the appropriate CEO and you will be asked to withdraw from the Blitz.

What You Will Gain:

Your bureau's contact information will be printed on a collateral piece left at each appointment. This collateral piece lists only those bureaus participating in the Blitz and will be left at each appointment in addition to the Meet Texas guidebook and gift.

Face to face meeting time with planners in the Austin/San Antonio area will give you easier access to see them in the future when representing your own destination.

Team work in setting appointments, making calls and gathering meeting updates during the Blitz.

Sales/marketing skill improvement by working with team members from other bureaus

The TACVB Marketing Blitz Committee has made a strong effort to improve the Blitz with changes to procedure, protocol and in TxMET use. We are dedicated to making the 2010 Marketing Blitz a huge success – with your help and cooperation. We welcome the participation of all TxMET member bureaus. Let's make this a fun and productive Blitz!

New this year, we are offering a seated Lounge area in the foyer, so that conversation and mingling can be done throughout the Oscars without disturbing the hard-core Oscar watchers.

Event will be open seating for guests with clearly reserved seats for Oscar Participants (CVB representatives) at each table. Oscar Participants will rotate during the evening to other tables and the Lounge area during announcements by our MC's.
